A public service of the
Chemical Stockpile Emergency Preparedness Program (CSEPP)

For more information, call 877-367-2737 in Oregon
or 800-841-7953 in Washington or go to www.csepp.net.

EAS

DEPENDS ON
WHERE YOU ARE.

If there were a chemical emergency at the Umatilla Chemical Depot, official instructions would be broadcast over the Emergency Alert System (EAS), particularly **two primary* radio stations—KONA and KUMA**. Which station should you listen to? It will depend on where you are.
